Official information request regarding grade distribution for ECS papers

We refer to the following official information request you made via email on 12 November 2023:

“I would like to request a grade distribution break down by course (paper) for all 2023 trimester 1 and trimester 2 papers run by the Faculty of Engineering and Computer Science. By grade distribution breakdown I mean for each paper you would detail how many people got each grade for each paper (e.g. for COMP102 there was 1A+ 2A 3A- etc).”

The information you have requested for Trimester 1 papers is enclosed. However, we refuse your request for information that relates to Trimester 2 papers under section 18(e) of the Official Information Act. We are unable to provide this information yet since grading for Trimester 2 papers is still in progress. Please feel free to submit a new request in the upcoming year.

If you wish to discuss this further, please contact us at oiarequests@vuw.ac.nz.
