NZ QLD Rapid Transit and Urban Planning Summit

Te Waihangā in conjunction with the Queensland Government and Smart Cities Council will be hosting an event in Brisbane from Sunday 30th October to Tuesday 1st November. The event is a combination of panel discussions, presentations and one on one sessions between New Zealand and Queensland government counterparts. It is being run in conjunction with the Smart Cities Council Industry event and contains a mixture of government only and mixed government and industry sessions.

Sunday 30th October

Venue: Urban Art Project, 41 Holland Street, Northgate, Queensland, 4013

The event kicks off on Sunday evening with a welcome reception at the Urban Arts Project. This session will include delegates from the New Zealand Government, Queensland Government, Brisbane City Council, and industry delegates attending the Smart Cities Event. The welcome session is being hosted by the Urban Arts Project and Wisk and will include a tour of the facilities and the unveiling of Wisk's 5th generation autonomous electric vehicle. The evening will provide a glimpse of what the future of urban development and transport could be; creative, fun, technology based. It will provide an interesting starting point for the two-day session which follows.
