**Official Information Act request relating to the decision on reporting Pacific data in
Child and Youth Wellbeing Strategy and Child Poverty Related Indicators**

Thank you for your request made under the Official Information Act (the Act), received on 26 April 2024. You requested:

“Please provide copies of all advice and correspondence, including summaries of phone calls, about the decision to not report Pacific data in the Annual report on the Child and Youth Wellbeing Strategy and Child Poverty Related Indicators, released in April this year.

For clarity, I would like all advice and correspondence internally, with other agencies, and with Ministers and their offices.”

I believe the information you have requested is more closely connected with the functions of the Ministry of Social Development (MSD). Accordingly, I have decided to transfer your request, in full, to the Ministry of Social Development under section 14(b)(ii) of the Act.

MSD has the usual timeframes under the Act from receipt of this transfer to make a decision on your request.

Nāku noa, nā
