Dear Annelies

### Official Information Act Request

I refer to your request made under the Official Information Act (the Act) of 30 September 2020.

I advise that I am extending the time for making a decision on the request by an additional 14 working days. I am doing this under section 15A of the Act, to allow consultations to occur which are necessary to make a proper response to your request.

The time for making a decision on your request is therefore changed from **28 October 2020** to **18 November 2020**.

Yours sincerely

**Tony Hickmott**  
**Finance & Business Performance Director**
