Dear KN,

Official Information Act Request

We refer to your official information request dated 29 December 2023 for the following information:

I would like the following information.

1 how many people have their drone registered with AIRSHARE and use it to report flights

We currently have:

- 51,314 active users registered in AirShare.
- 33,910 drones registered in Airshare.
- In the last 12 months, a total of 54,458 flights were registered in AirShare.

It is important to note that pilots can register multiple drones under their profiles with Airshare.

2 how many incidents has there been involving unmanned aircraft and manned aircraft.

Unfortunately, we are unable to provide specific information on incidents involving unmanned and manned aircraft at this time. We had requested additional details regarding the time period or location of your inquiry to better tailor our response. Since we have not received further clarification, your request is refused under s18(f) as it cannot be fulfilled without substantial collation or research.

If you wish to discuss this decision with us, please feel free to contact me.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
