**Subject:** Revised consenting strategy for Ohakune  
**Attachments:** 4.2 Recommendation for revised consenting strategy.pdf

Morning Naila,

Just looping you in the on a revised consenting strategy we have for the Shovel Ready Ohakune Social Housing Project.

We have revised the consenting strategy to mitigate the programme and funding risks presented by opposition to the consent.

The purpose of this email is to keep you informed. Also, please let me know if CIP would like to provide feedback on the proposed approach.

Thanks, Andre
