Dear Nigel

Thank you for your Official Information Act request dated 1 May 2019 asking for the dates of the underground detonations which were carried out as part of the project to study the Hikurangi Subduction Zone under the east coast of the North Island. Below we provide this information.

There were five detonations over three days from February 26 to February 28, as follows:

26 February 2019 at 8.22pm
27 February 2019 at 7.13am
27 February 2019 at 7.17pm
28 February 2019 at 7.12am
28 February 2019 at 7.25pm

Yours sincerely

John Callan
