With regards to your request for the breakdown of cost of this project, we have made every possible effort to locate the cost breakdown for Stage 1 of the project, including searching the project sites, pulling the data from our financial system using the Stage 1 project code and searching the project manager's emails (who was in charge of this project and is no longer an AT employee).

We are therefore refusing your request for the cost breakdown under section 18(e) of the OIA / 17(e) of the LGOIMA because the requested document cannot be found.

However, we have provided the project the cost outline for Stage 1 of the project, this data has been pulled from the funding details AT provided to the NZTA.
