Dear Ms Dixon

Transfer of request for official information to district health boards

Thank you for your request for information of 21 May 2019 under the Official Information Act 1982 (the Act) for the following:

“As of March 2019, how many people under 24 are on a waiting list to access services at the Wellington and Kapiti district mental health and addictions services?”

The Ministry of Health does not hold the information you request. I am advised that the information you request is more closely associated with the functions of the Capital and Coast District Health Board (DHB) and the Mid Central DHB.

As a result, I have decided to transfer your request to these two DHBs under section 14 of the Act. You can expect a response to your request in due course.

You have the right, under section 28 of the Act, to ask the Ombudsman to review my decision to transfer your request for information.

Yours sincerely

Nick Allan
