Alison was going to contact him today or tomorrow to coordinate time and discussion topics. If you pop down to L11 at 0915 I will be there having a chat with her about it, and if you are there as well we will be able to combine your conversations and expectations with what I have discussed with him, and not talk cross purpose or step on toes....

☺

Hi there,

Are you guys alright if I attend the meeting below?? This training is something that I had planned to do this financial year. I am quite keen to get a number of staff across the country this development opportunity.

Thanks

Hi [REDACTED],

I have been trying to engage with a number of Police staff working in different areas recently and have now taken the approach of coordinating my attack with [REDACTED]. Next week I am planning on meeting up with [REDACTED] and [REDACTED] to discuss my training course, venue details, associated costs, etc.

Do you know either [REDACTED] or [REDACTED]? If you do, can I suggest you get in contact with them and come along to the meeting, otherwise I can do some introductions and suggest the same.

It makes sense to get across all the departments working in this space and coordinate training for Police as one big team.

Cheers,
[REDACTED]

Hi [REDACTED],

I spoke to you a couple of weeks ago enquiring about the feasibility of you providing training to NZ Police Intelligence staff. If possible, would you please mind sending me some dates that you are available prior to Christmas, and how much the advanced training session would cost? In regards to where this training would take place, are there any venues you would typically use, and if I was to try and find an appropriate venue, what would you need i.e. full internet access, would everyone need a computer?

If the training only runs for a day – is it possible to have two smaller sessions – one in Auckland and one in Wellington? If this is the case, what are the minimum and maximum numbers?

Look forward to hearing back from you.

Thanks

[REDACTED]

I was sent the following training material for an OSINT course that MPI are organising. Would this be something Police are interested in?

Cheers,

[REDACTED]

Hi [REDACTED]

Some of our team are going to be attending the following course in July. We haven't confirmed a date yet but if you interesting in attending let me know. The cost is \$800 per head and there is space for two people from external agencies.

Regards
