Dear Mr Bodnar

## Request for information 2013/110

I refer to your request for information dated 28 August 2013, which was received by Greater Wellington Regional Council on 28 August 2013. You have requested the following information:

*“With several buses being removed from service as a result of a second set of inspections, I would like to know more about the nature of the faulty units from both the May and August inspections. Specifically, I would like a list of buses, identified by fleet number, that received a pink sticker, the owner of the bus, the age of the bus and the type of fault.”*

Greater Wellington Regional Council is transferring your request to the NZ Transport Agency (NZTA) pursuant to section 12 of the Local Government Official Information and Meetings Act 1987 on the basis that this information is not held by Greater Wellington Regional Council but is more likely to be held by NZTA.

Further correspondence will therefore come to you directly from NZTA. In this regard the 20 working day time limit for providing you with a substantive response to this request will begin from the day after NZTA receives this transfer.

Yours sincerely
