Natasha

I have received an out of office for Steve Mutton. Is there someone else suitable to attend this meeting on Steve's behalf? If that's not appropriate I will need to suggest pushing this meeting out to a further date to everyone.

Hi Everyone

I have set the date for the Matakana Link Road meeting at Mark's office to be next Thursday 15th August 1-2pm.
I do hope you can make this – if not perhaps you could organise for a suitable person to attend on your behalf.

Proposed agenda In relation to the MLR;
General Questions:

- When is the work is going to tender?
- Are the options put forward for the tender process to include a full four lane road and four lane bridge option?
- Is the work staged to enable earthworks and prevent the loss of a season whilst appeal issues are resolved?

The issues that require resolving are not difficult to resolve and are listed as follows,

- Improving the performance of the SH1/MLR intersection including its alignment with the future Western Link
- Providing for intersections to the industrial land
- Removing the ecological embargo
- Providing collaborative storm water discharge and treatment issues
- Traffic Modelling
- Provision of Services

I am away tomorrow until Tuesday 13th but have copied **s 9(2)(a)** in so please RSVP to her.
