Dear M Whytock

**Official information request for the score distribution for the NWEN304 test**

I refer to your request for information under the Official Information Act 1982 (the Act) dated 6 September 2019:

*“I would like to please request the score distribution for NWEN304 Terms Test 1, taken on 15/8/2019 at 4pm in HMLT205. I would like this information both in CSV form, and in a histogram, with the number of students of students who attained the score on the y axis, and the numeric score out of 50 (in increments of 1) on the x axis.”*

Please find the attached spreadsheet in CSV format with the requested information. I have also attached a pdf of the data displayed in a histogram. The histogram displays the data in increments of five, rather than one as requested. I did attempt to display the data in increments of one, however this did not work as it created an illegible graph.

If you wish to discuss this decision with us, please feel free to contact me at [oiarequests@vuw.ac.nz](mailto:oiarequests@vuw.ac.nz).

Yours sincerely

Georgia Tawharu
