Kia ora Leith

The information you requested - CAS-1155414-W8P8P3

Thank you for your email dated 12 September 2019 requesting information regarding radio communication frequencies.

Information on updated radio communication frequencies for the following transport company's.

GoBus

NZBus

Ritchies Transport

Birkenhead Transport

Pavlovich Transport

AT Passenger Rail

Auckland Transport (AT) does not hold details of the radio frequencies used by the various contracting bus companies. Your request is therefore refused under section 17(g) of the LGOIMA because the information is not held. The radio frequency used for AT train staff is withheld under section 6(a) as making this information available is likely to prejudice the maintenance of the law, including the prevention, investigation, and detection of offences, and the right to a fair trial.

Radio frequencies used for train operations is believed to be more closely connected with the functions of KiwiRail. We have therefore transferred this aspect of your request to KiwiRail under section 12 of the LGOIMA.

Should you believe that we have not dealt with your request appropriately, you are able to make a complaint to the Office of the Ombudsman and seek an investigation and review in regard to this matter.

Yours sincerely

Roger Jones

Executive GM Business Technology
