Official Information Request

Dear Sir

On 7 October you sent an Official Information Request regarding Honorary and Adjunct Appointments at Massey University. You requested the following information:

“The name of current Honorary and Adjunct Appointments and separate by their title, (E.g. honorary lecturer, senior lecturer, associate professor, professor). Also their bio as well.

Further I understand, Honorary and adjunct appointments are usually for a period of up to three years and appointees may be reappointed as appropriate. May I have their term of appointment as well.”

Attached to this letter are the name and title of the Honorary and Adjunct appointments at Massey University. Where it has been possible to do, the term has been specified but in other cases only the end date is known. Some positions are ongoing. Their “bio” has not been supplied as this is information personal to them.

Yours sincerely

Fiona McMorran
Employment Relations Manager

CC Jodie Banner Risk Manager
