Dear Mr Farrar

Thank you for your Official Information Act 1982 (the Act) request, which was transferred to Kāinga Ora – Homes and Communities on 23 October 2019 under section 14(b)(ii) of the Act. Your request was interpreted to ask:

How many KiwiBuild houses have been completed at the end of each month from 30 June 2018 to 30 September 2019 inclusive?

I have considered your request under the Act and can advise that the figures you requested on the number of completed KiwiBuild homes by month from June 2018 until 30 September 2019 are included in the attached table.

Following the Cabinet paper *Resetting the Government Build Programme*, the decision was made to remove a number of homes from the KiwiBuild programme and offer these (in due course) on the open market. Therefore, the number cited in your request will differ from the total of the figures shown in the attached table.

A copy of this Cabinet paper is publicly available on the Ministry of Housing and Urban Development website: <https://www.hud.govt.nz/assets/News-and-Resources/Proactive-Releases/First-Tranch-/ebadefaa2d/01-Cabinet-Paper-Housing-and-Urban-Development-progress-and-next-steps.pdf>

As of October 2019, data on completed KiwiBuild homes is provided in the Government's Housing Dashboard. This will be updated on a monthly basis. This can be found at: <https://www.hud.govt.nz/news-and-resources/statistics-and-research/government-build-programme-housing-dashboard/>

Yours sincerely

Rachel Kelly
Manager Government Relations
