Dear Anthony

Re: OIA request – Estimated floor space of two hospitals owned by Waitematā District Health Board

Thank you for your Official Information Act request received 13 December 2019 seeking information from Waitematā District Health Board (DHB) about an approximate estimate of our two hospitals' floor space.

In response to your request, we are able to provide the following information:

Could I please request if Waitematā District Health Board can provide an approximate estimate of hospital floor space in square metres of its two hospitals. A rough estimate will be fine.

- North Shore Hospital gross floor area (GFA): 120,000sqm
- Waitakere Hospital GFA: 59,000sqm

I trust that this information is helpful.

Waitematā DHB supports the open disclosure of information to assist community understanding of how we are delivering publicly funded healthcare. This includes the proactive publication of anonymised Official Information Act responses on our website from 10 working days after they have been released.

If you consider there are good reasons why this response should not be made publicly available, we will be happy to consider your views.

Yours sincerely,

Dr Andrew Brant
