1. Karakia, mihi

2. Enrolment Policy:

- Ngawini has handed out a copy of the policy to whanau. If there are any concerns regarding this policy parents can make an appointment with Sean.
- Every three years policies are reviewed, however should enough people wish to change a policy then there are processes to follow that Sean can help with.
- Jackie transitions the younger students to get them settled into school.

3: Points to discuss with Sean:

- Enrolments from Years 1 – 6 to change to include Years 1 - 8 (Not attending Kaipara College but Maori Immersion)
- No transition from mainstream but going directly to the unit.
- Teacher Aide for the unit: How could this be paid for to help support tamariki as they are at various levels? That teacher aide could help transition those new students.

4. Roll for 2013: Ngawini shared that 15 tamariki will be in the unit at the beginning of 2013.

5. Whanau Resources:

- Ngawini has found out there is funding for I Pads, Active Boards. Ngawini will need to access the funding through the MOE.
- Ngawini shared about her visit to Richmond Rd

6. Class Resources:

- Ngawini is asking the whanau to have a day here helping organise the resources. Date: Wednesday 23 January 2013.
