Hi [REDACTED]  
Thanks for your email. Sounds fine – it's just good to know from our perspective if there are to be NZ Police decals, insignia and uniforms used – both historical or current ones.  
Hope your filming goes well for the next series.  
Kind regards,  
[REDACTED]

Hi [REDACTED],  
We do not intend using any official police uniforms or memorabilia or the Museum's police car lights in this season of Westside.  
The series is fictional, set in the early 80s, and while we have some fictional police characters, they'll either be dressed in plain clothes or in made-up versions of uniforms, not replicas of official police originals from the era or the current day.  
Thanks for your interest,

Hi everyone,  
Thanks for your inquiry [REDACTED] with [REDACTED] about the use of police patrol car lights.  
Attached is an application form for the use of equipment, if you could please enter the details, sign and return to me.

As far as I know we've not been approached with scripts or applications for approval to use NZ Police uniforms or signage for Westside. It would be helpful if someone from your production team could please send us through a synopsis of Westside Season 2, if it includes police officers, the relevant scenes and dialogue so that we can assess our involvement.

Many thanks
