

To the extent any personal information contained within this table about an identifiable individual is not publically available information, it is published under section 223AAA(a)(iv) of the Employment Relations Act 2000, and in accordance with section 7 of the Privacy Act 1993. The 'stand down period' information contained in this table is maintained by the Labour Inspectorate for use by Immigration New Zealand, Licensed Immigration Advisors, employers, and migrants. The Labour Inspectorate does not determine the stand down period that applies as a result of an employer's breach of employment standards; this is set in immigration instructions.

- Stand down periods do not apply to employers that received infringement notices or penalties prior to 1 April 2017.
- Immigration instructions require that a visa applicant's employment be with an employer who is compliant with New Zealand employment and immigration law and has a history of compliance.
- Employers who have challenged their sanctions will remain on the published stand down list until the outcome of the challenge is known.
- The published stand down list is updated every Wednesday.
