Tēnā koe Mr Francis

Thank you for your email of 15 June 2020 to Oranga Tamariki—Ministry for Children (Oranga Tamariki), requesting the following information under the Official Information Act 1982 (the Act):

- *Please provide reports detailing the amounts, types, names, and versions of Operating Systems currently in use within your ICT server and desktop environments.*

Our standard laptops use the Windows 10 operating system. There are a limited number of PCs and laptops that are on the MacOS operating system; however, these are used for specialised work such as creating training material. Our backend servers are either Microsoft based or Unix based technologies. We cannot provide you with version details as this could impact the security of our systems.
