Subject: NZ breakfast

We are 87 acceptances for the breakfast, with a limit of 102 for the room. Means we don't have much headroom to take more registrations before the show itself. I expect we can go to about 110-115 registrations assuming about 10% no-shows, and if necessary some of NZTE can stand down to free up spaces, although I am keen that our NZTE team are working the room to connect NZ firms up with key contacts.

Appreciate if you can scan the list and if there are glaring omissions that deserve and invite or follow up let us know. s6(d), s9(2)(a), s9(2)(b)(ii) and s6(d), s9(2)(a), s9(2)(b)(ii) have all declined as none will be in Sydney on Thursday.

I have emailed [redacted] s6(d), s9(2)(a) at Trade in London following up my discussions with him at Land Forces and Avalon but would be good to loop in your person in [redacted] s9(2)(b)(ii). I am updating it every day, and will be sending out a full list to all the customers and Agencies later in the week. It is, as you will know, a bit of a moving feast as we are adding new invitees most days

😊

You could cut out the last 20 seconds or so if you don't want the Scale-Up NZ plug – although your Pacific 2019 attendees may find it is a useful tool to learn more about innovative NZ businesses via the free platform.

Subject: Business meetings at Pacific 2019

Good morning everyone. Just over a week to go to the start of Pacific 2019.

Please find attached a booklet listing a group of French businesses visiting Pacific 2019. Their visit is being coordinated by Business France and there is the opportunity to set up meetings with any of the delegates. If you would like to meet then please get in touch and we can coordinate through the Business France contact.

We have secured the following meetings with some of the major Australian defence primes during Pacific 2019. This is an opportunity to understand their business and opportunities in their supply chain and technology programs, and have a point of contact for follow up. I have said that we would have a group of delegates to meet at the following times.

- s9(2)(b)(ii) Tuesday 1100 at the s9(2)(b)(ii) stand (we can gather an leave from the NZ stand a few minutes prior)
- s9(2)(b)(ii) Tuesday 1500 at the s9(2)(b)(ii) stand
- s9(2)(b)(ii) Wednesday 1230 at the NZ stand
- s9(2)(b)(ii) Thursday 1400 at the NZ stand

We also have an invitation for all to attend the s9(2)(b)(ii) event at their stand on Tuesday at 1600.

I have a few others I am seeking to secure and will update when I know more.

Remember to use the [Exhibitor Directory on the Pacific 2019 website](#) to set up meetings with other listed organisations at the show.

With regard to the LAND400 program the ball is currently in s9(2)(b)(ii) court as they are working on their industry briefing schedule – I was give a date of around 6 months in my communication from s6(d), s9(2)(a), s9(2)(b)(ii). His comms was:

Hi Graeme,

Thanks for your email and the congratulations.

As for confirmation of our visiting NZ as part of our Industry Capability Demonstration Workshops, here is the extract from the contract that both s9(2)(b)(ii) will be signing to enter s9(2)(b)(ii):

s6(a), s9(2)(b)(ii)

I can't give you firm dates, but it will be within the next six months. We need to discuss the dates with the tenderers prior to making the dates public.

Also, your advice as to whether Christchurch, Wellington and Auckland is right or do we need to include/drop a city?

He has put me in contact with s6(d), s9(2)(a) in his team regarding further organisation. This industry briefing will involve reps from both s9(2)(b)(ii) and s9(2)(b)(ii) – the two downselected s9(2)(b)(ii). I plan to follow up with s6(d), s9(2)(a) following Pacific. I expect it to be around March next year.

Hi Jennie / s6(d), s9(2)(a)

We have rooms available at NZTE Wellington that could be used for the NZDIA Working Group meeting if you wish. They would be free of charge. I just checked and two of our meeting rooms with capacity similar to that we were in yesterday are available. Let me know if you want to use one of them and I will book it in.

The rooms are on our reception level 15 at the Majestic Centre, 100 Willis Street.

Subject: Pacific 2019 - UPDATE unclassified

Good evening everyone,

Not long to go to Pacific 2019 and I want to update you on some things.

- Exhibitors will have received an email from [REDACTED] with the final design and artwork for each exhibitor area. Please check and respond [REDACTED] or where team with any questions or your final OK.
- We sent the first round of invitations to the New Zealand breakfast last night. Thank you for input to date and there will be further invitation rounds, so please forward any other contacts that you would like invited. Attached is the list of invites that went out last night and we will be adding to that as we go.
- Thank you for those who have sent me their Quad Charts – and I am still waiting for some. Those who have sent a Quad Chart we will schedule a 30 minute call with you, Alan [REDACTED] a member of his team in Sydney to discuss your specific objectives how we can maximise your presence at the show. The call will be during the week of 23rd Sep. Give me a call if you're struggling with your Quad Chart.
- We will have an informal get together on the Monday evening, prior to the opening of the show – somewhere around Darling Harbour. Experience is that we won't be able to book a venue, but we'll scout out where might be best to aim for from early evening and let you know in advance. It would be helpful if you can let me know if you think you want to join, so we have a rough idea of numbers.
- [REDACTED]
- Also joining the NZTE team at Pacific 2019 will be Ben [REDACTED] from our Melbourne office. He will be in Sydney the Wednesday and Thursday of the show.

Best regards,

Graeme Solloway

Hi s6(d), s9(2)(a) hope you are well.

Andrew s9(2)(a), s9(2)(g)(ii), would like to attend your concentrated lunch at Pacific2019, and I wondered whether we had any allocated tickets for this as part of our joint involvement in Pacific2019?

Many thanks,

This video which was developed for our Scale-Up NZ platform would work without the sound from 8 seconds onwards and speaks directly to New Zealand being home to innovation and tech breakthroughs. You could cut out the last 20 seconds or so if you don't want the Scale-Up NZ plug – although your Pacific 2019 attendees may find it is a useful tool to learn more about innovative NZ businesses via the free platform.

https://www.youtube.com/watch?time_continue=1&v=f6oWh_Vhj18

This video would work well from 7 seconds – 1.16 minutes (cutting out Vic Crone when she speaks to the camera at 24-25 secs and 41-45 secs and 56-1.03 secs)

And you're probably working in with NZTE/NZ Story as appropriate too as they have developed quite a good library of NZ imagery and video which is available here <https://toolkit.nzstory.govt.nz>

s6(d), s9(2)(a) Managing Director s9(2)(b)(ii) s6(d), s9(2)(a)

s6(d), s9(2)(a) – Head of International s9(2)(b)(ii) :

the other guy from s9(2)(b)(ii), whoever is more senior)

s6(d), s9(2)(a)

It would help us manage the numbers to our hard limit of 102 people (total) imposed by the venue.

We can extend further invites if it looks like we have room closer to the date. OK?

Hi Daniel

What is your absolute deadline for providing content to be displayed on the screen in our lounge at PACIFIC?

Apologies for any inconvenience thus far for not meeting the original deadline of yesterday.

Jennie sent out a call to our members yesterday asking for content, we have had a few members come back with various videos...

My other question is what is the max time of content we can supply. I know you mentioned nothing longer than a minute, but is that in total or for each submission?

I also know you mentioned 1-2 pieces of content max – given that we have so far had 4 companies giving us info I assume we will need to cull?

Subject: Logo display for NZ Breakfast at Pacific 2019

Kia ora,

After the briefing last week we have been looking at how we can support your visibility at the New Zealand Breakfast on the Thursday morning of the Pacific 2019 show.

The function room has limited size, it is smaller than the space we had at Land Forces in Adelaide. It also does not have a lobby area such as we had in Adelaide and there is provision for only one banner by the door – which will be a generic New Zealand banner to denote the event.

We will have all delegate logos, including NZDIA, NZDF and Callaghan Innovation presented on a 75" screen wall mounted in the front of the room. We need to keep other space in the room clear for everything other than catering purposes, so we won't have company banners in the room. You will not need to have company banners with you for the show.

The breakfast is an opportunity for you to reinforce relationships made at the show. Experience is that invitees don't read banner information at such events – the delegate logos prominently displayed on the front screen will provide your brand recognition, associated with the official NZ Inc presence.

Thank you for your understanding on this.

Best regards / Ngā Mihi

Subject: Re: Pacific 2019 content for video screen

Hi

I have deadline for finishing text for Pacific flyers today and a small Board Meeting tomorrow.

I would like to go out to our Members for video and images. We can send out a newsletter today and ask for contributions by Wednesday.

The NZDF and MOD DIAC Awards will be a great source of video etc but not all their entries are NZ companies but they may have imagery from NZ nominees who did not necessarily get onto a short list.

They will need a few more days to gather footage too.

Regards

Good afternoon everyone

I hope everyone has had a good Friday so far. It was great to meet you all (virtually) at the briefing on Tuesday.

The eagle-eyed of you will have noticed on the design concepts that there is a screen in the lounge area (I have attached an image with it highlighted for reference).

At this stage this is TBC, and we will be making the call whether to have it or some other design element this Tuesday.

We are putting together a slide deck to be displayed showcasing the theme 'Generating Powerful Partnerships' and to demonstrate the ingenuity of New Zealand companies in this space.

Could I ask each of you to send through; images, videos (nothing longer than 1 minute and not requiring sound to be played), infographics or 3D renders/animations. I know you will be using the content/collateral on your parts of the stand so it would be good to have some things that are different but complementary to what you are planning on having.

It would be ideal to have 1-2 pieces of content from each of you (more is welcome) by **Monday COB NZ time.**

To help share High-resolution images, feel free to send me Dropbox links or to use <https://wettransfer.com/>
