Melinda

I can make this work.

If you want to go back to the LGWM people and get it moved please do so

Otherwise we will stick with the date we have as I really want to kick this along.

Thanks

Dave

Good morning David

Walter is on leave next Wednesday, returning the following day Thursday 4th. I know he would want to attend this meeting so Thursday 4th June – 1400-1500hrs would be best for him – would this work for you?

Weds 0800-0900 would work best.

The subject matter is access to ferry terminals – issues and relative merits of Kaiwharawhara v Kings Wharf from a Land Transport

I will send you a confidential sketch of both concepts and what we see as the road and PT connection issues/

Zoe Thompson passed on your details and suggested you would like to meet with the Let's Get Wellington Moving team to discuss our programme and the Multi-User Ferry Terminal details.

Andrew Body (Programme Director), Hannah Hyde (Project Manager for Thorndon Quay and Hutt Road) and myself would be happy to discuss this with you. Do either of these time work for an online meeting?

- Wednesday 3rd June – 0800-0900hrs
- Thursday 4th June – 1400-1500hrs

Please let us know if there are specific issues you would like to cover so we can come prepared.

Many thanks
Seb
