Kia ora Stefan

I refer to your request of 6 July 2020, under the Official Information Act 1982, for the following information:

Please provide all information, documents, correspondence, or any other information held in any form regarding the qualification 'Bachelor of Naturopathic and Herbal Medicine'. Please interpret this request to encompass all versions including drafts, and any documents held in any kind of backup system

NZQA has scoped your request and has concluded that a response cannot be prepared without substantial collation and research, which would impact on NZQA's day to day operations.

We request that you clarify and refine your original request, to enable NZQA to respond. For example, the request could be refined to include information, documents and correspondence regarding NZQA approval of the '*Bachelor of Naturopathic and Herbal Medicine*'; or information, documents and correspondence produced by NZQA within a particular timeframe.

Please note, any clarification or amendment to a request is considered to be a new request for the purpose of calculating the maximum statutory timeframe for response – see section 15(1AA) of the Official Information Act.

For any enquiries, please contact ministerials@nzqa.govt.nz.

If you are dissatisfied with our response, you also have the right, under section 28(3) of the Official Information Act 1982, to lodge a complaint with the Office of the Ombudsman, PO Box 10152, Wellington.

Yours sincerely

Dr Grant Klinkum
