Dear Greg

**LGOIMA Local Government Official Information and Meetings Act 1987 (LGOIMA)  
Request**

We refer to your information request dated 16 December 2020. A copy of your request is set out below:

*In relation to the Great King St Bus Hub .*

*It was my understanding that a Coffee Kiosk was to be installed in the Bus Hub next to the public toilets.*

*Was it ever built and how much did it cost ?*

*If it was built, where is it ?*

*If it is or was in storage , how much is that costing per month to store ?*

*Why has it not been installed*

In response to your request I have been informed by Otago Regional Council staff of the following:

- The total costs for the kiosk amounted to \$60,464.95,
- The kiosk is currently in storage at an ORC owned facility at no additional cost to the ORC,
- The kiosk is not currently required at the Dunedin bus hub location. The kiosk has a multi-purpose design allowing it to serve different functions for the ORC in the future.
