Dear Brian,

Response to official information request with respect to a jet ski event held at Onepoto and on the Porirua harbour on 17 January 2021

I refer to your request for official information received 17 January 2021 relating to any resource consent requirements for a recently held jet ski event at Onepoto and on the Porirua harbour.

The information you specified is:

- **If a consent was required from PCC**
- **If a consent was required**
- **A copy of the consent**
- **A copy of the application**
- **A copy of the officer's report**
- **If a consent was not required from PCC a brief explanation why this was not the case.**

We have processed your request under the Local Government Official Information and Meetings Act (LGOIMA) 1987. The information you requested is enclosed.

We did not receive a resource consent application for this event. Based on the information provided, we also don't consider that resource consent is required from Porirua City Council for the following reasons:

- Water-based activities which take place on the harbour waters is within the jurisdiction of Greater Wellington Regional Council (GWRC); and
- Any associated land-based activity which takes place within a boating clubhouse is either located below the Mean High-Water Springs (MHWS) level which is within the jurisdiction of GWRC or alternatively likely located in the Operative District Plan Open Space Zone for which recreation and community activities are permitted subject to compliance with any relevant permitted activity standards.

If you wish to discuss this decision with us, please feel free to contact Derek Vos at 04 237 3822.

Ngā mihi
