A total of 33 temporary arming orders were issued during the requested time period. Please note the following caveats to the data as you read it:

- The name of the individual is given; however, role is not given as they may have changed roles since the order was given.
- Review dates are not documented in the database, therefore have not been provided to you.
- There have been no operational discharges by Police recorded during any of the temporary arming orders listed in the attached document.
