

Applications to Health Sciences professional programmes, 2021

Notes

¹ Students can apply for admission to professional Health Sciences programmes under multiple sub-categories. In the column 'All applications', a student who applied under multiple sub-categories will be counted against all of those sub-categories; conversely, in the columns 'Applications considered' and 'Enrolments', students will only be counted against one category, according to the following hierarchy (in descending order): Māori, Pacific, Socio-economic Equity, Refugee, Rural, General.

² All figures exclude international applicants.
