Dear Mr Kern

Inland Revenue has received your request of 9 April 2021. You requested:

In March 2021 the department made a translation of the response "опиздехуевшие мудотрахозаёбыши" and made a decision on this translation, specifically stated by another anonymous serial criminal as 'We have translated your message and will treat this as your response to this review – which is that you do not wish to participate.'

I would be interested in obtaining a copy of the translation with all according correspondence, as I highly doubt the accuracy of the translation in the context of the request.

Requests for information about personal matters are considered under the Privacy Act 2020, as they are not requests for official information. Inland Revenue cannot provide personal information on a public website.

We will send our full response to your personal email address.

Yours sincerely

A handwritten signature in blue ink, appearing to be "JG", written over a faint circular stamp.
