Dear Ian,

Request for Information – Our Reference: IR-01-21-12637

Thank you for your request for information dated 19 April 2021 requesting information about a call to Police. Specifically, you requested:

Please provide a recording or transcript for a call made from 0274351591 made on 16th January 2021.

Your request has been considered in accordance with the Official Information Act 1982 (OIA).

I can find no record of any call being made to Police from the nominated phone number on or around 16 January 2021. I am therefore refusing your request per section 18(e) of the OIA as the “information requested does not exist or, despite reasonable efforts to locate it, cannot be found”.

Per section 18B of the OIA, I have considered whether consulting with you would assist you to make the request in a form that would remove the reason for refusal. I am of the opinion that this would not.

If you are not satisfied with my response, you have the right under section 28(3) of the OIA to make a complaint to the Ombudsman and seek an investigation and review of the refusal.

Yours sincerely
