Tēnā koe Liz

On 29 April 2021, you emailed the Ministry of Social Development (the Ministry) requesting, under the Official Information Act 1982 (the Act), the following information:

- *Data on the number of complaints and or requests for review received by complaint type, year, month, region, ethnicity (NZ European, Maori, Asian, Pacifica, Other), gender, age, partnership status for the last 3 years.*
- *A copy of the review and complaints policies, processes, working documentation or guidelines.*

On 24 May 2021, the Ministry emailed you asking if you would like to refine your request as to provide the data in a useful manner this would require hundreds of tables. Later that day, you responded advising you would like your request in full and in one table only.

Please see enclosed two Excel spreadsheets, to answer question one of your request:

- **Appendix A** – The number of complaints received nationwide by the Ministry, broken down by type of complaint, the month logged, and the year received, for the period between June 2017 to April 2021.
- **Appendix B** - The number of reviews of decision broken down by region, review type, year, months, ethnicity and gender for the period between June 2017 to April 2021.

In the spirit of being helpful, the Ministry has provided the total per region in a second table within **Appendix B**.
