

27 May 2021

Liz
fyi-request-15293-f4b5ae49@requests.fyi.org.nz

Dear Liz

Thank you for your request of 29 April 2021 to Kāinga Ora – Homes and Communities for the following information under the Official Information Act 1982:

Number of new staff employed each Month year since October 2019 by ethnicity (Non-Maori, Maori), gender, region.

Number of staff employed that earn:

- Under \$74,000;
- \$75,000-\$99,000;
- \$100,000-\$150,000
- Over \$150,001

per annum, by ethnicity (Non-Maori, Maori), gender and region

I have attached the information requested in appendix A. This data is based on staff who have self-reported their cultural and gender information. Later this year Kāinga Ora intends to invite our people to take the opportunity to self-report their ethnic and cultural affiliations as well as disability and gender diversity representation.

You might be interested to know that Kāinga Ora is building a modern workplace, and in recent years we have turned our attention to addressing pay gaps and equity gaps. Some of our initiatives are listed below:

- We have removed performance pay, which was identified as contributing to gender pay gaps.
- We now have one single rate of pay for each position. This has been primarily put in place to significantly reduce, and in some instances completely eliminate, some of our horizontal gender and ethnic pay gaps.
- Our people continue to receive the employer KiwiSaver contribution when on parental leave. This helps reduce the gender pay gap over the long term.
- We pay the greater of average earnings or ordinary earnings on holiday pay for people returning from parental leave.
- We continue to pay medical insurance premiums for our people on parental leave so that they do not lose any pre-existing condition cover.
- We pay two weeks' partner leave and do not require employees to have qualifying service.

- Kāinga Ora works to accommodate flexible work by default requests where practicable and possible.

You might also be interested to know that Kāinga Ora – Homes and Communities has recently established the role of Ringa Raupa Deputy Chief Executive (DCE) Māori. The DCE Māori leads a new Business Unit, Te Kurutao, to advance and facilitate the relationships within and between Kāinga Ora and Iwi/rōpū Māori. This group provides support through a centre of expertise to lift Māori capability. In addition, Kāinga Ora is developing a job-pathway approach to career progression that will support more minorities and women into leadership roles.

Yours sincerely

Rachel Kelly
Manager Government Relations

Appendix A: Number of new Kāinga Ora staff employed since October 2019 by salary, month, year, ethnicity, gender, and region
