Dear Brian

Response to official information request for monitoring compliance with consent conditions for RC6129 issued on 17 August 2011.

We have processed your request for official information received 3 May 2021 under the Local Government Official Information and Meetings Act (LGOIMA) 1987.

Please find the responses below for:

1. Details of all efforts or actions PCC has made or undertaken since early 2012 to monitor whether the conditions on the consent have been complied with by the consent holder (PCC);

We can confirm that Resource Consent (REF RC6129 - LU0127/11) was actively monitored on 3 April 2012 and 10 May 2012 at which time it was determined that no further monitoring was required as the consent conditions had been met. Please see attached copy of email communications relating to this monitoring for further information.

2. Details of instances (if any) where PCC has determined that the conditions of consent have not been complied with by the consent holder (PCC)

A search of our records has not uncovered any instances of non-compliance being determined against the 5 consent conditions for Resource Consent (REF RC6129 - LU0127/11).

3. With respect to the instances of non-compliance referred to in Point 2 (if any), the efforts or actions (if any) PCC has made or undertaken to enforce compliance with the conditions on the consent, and the nature and scope of the required compliance work.

On the basis that there are no instances of non-compliance as mentioned in Point 2, there is no information held on this matter.

We have redacted some information under section 7 (2) (a) to protect the privacy of natural persons. If you wish to discuss this decision with us, please feel free to contact Derek Vos at derek.vos@porirua.govt.nz.
