9(2)(a)

Dear 9(2)(a)

On 21 November 2017 you requested the following information:

- a list of all reports, briefings, memos or aide memoires that you have received since you were sworn in as Minister of Education.

My office initially responded to your request asking for you to clarify your request. While this did not happen, I will be responding to your original request.

I am providing you with a list of all briefings, reports, aides memoire and memos I have received from Government agencies in my capacity as Minister of Education from 26 October 2017 to 31 January 2018. A copy of this list has been attached to this response as Appendix A. I have also received regular weekly and fortnightly reports from agencies; these are not included in the table. I have also not included titles of reports forwarded to me from other Ministers for noting.

The attached list has been compiled after consultation by my office with the Ministry of Education and the education Crown entities, including the Tertiary Education Commission, Education New Zealand and the New Zealand Qualifications Authority.

Some titles have been withheld under section 9(2)(f)(iv) of the Act, to maintain the constitutional conventions for the time being which protect the confidentiality of advice tendered by Ministers of the Crown and officials.

You may be interested to know that a number of the reports included in the list being released are already publicly available, and can be found on the Ministry website by searching "information releases" or at the following link: <http://www.education.govt.nz/ministry-of-education/information-releases/>.

I hope that this information is helpful for you. You have the right to ask an Ombudsman to review this decision. You can do this by writing to info@ombudsman.parliament.nz or Office of the Ombudsman, PO Box 10152, Wellington 6143.

Yours sincerely

Chris Hipkins

SENT

Dear 9(2)(a)

On 3 January 2018 you requested the following information under the Official Information Act 1982 (the Act):

- *Titles of all reports received by the Minister since the general election.*

On 12 January 2018 this was clarified for reports relating to Canterbury schools and tertiary institutions.

As my office further advised you, I have decided to respond to your original request for all report titles received since the general election.

I am providing you with a list of all briefings, reports, aides memoire and memos I have received from Government agencies in my capacity as Minister of Education from 26 October 2017 to 31 January 2018. A copy of this list has been attached to this response as Appendix A. I have also received regular weekly and fortnightly reports from agencies; these are not included in the table. I have also not included titles of reports forwarded to me from other Ministers for noting.

The attached list has been compiled after consultation by my office with the Ministry of Education and the education Crown entities, including the Tertiary Education Commission, Education New Zealand and the New Zealand Qualifications Authority.

Some titles have been withheld under section 9(2)(f)(iv) of the Act, to maintain the constitutional conventions for the time being which protect the confidentiality of advice tendered by Ministers of the Crown and officials.

You may be interested to know that a number of the reports included in the list being released are already publicly available, and can be found on the Ministry website by searching "information releases" or at the following link: <http://www.education.govt.nz/ministry-of-education/information-releases/>.

I hope that this information is helpful for you. You have the right to ask an Ombudsman to review this decision. You can do this by writing to info@ombudsman.parliament.nz or Office of the Ombudsman, PO Box 10152, Wellington 6143.

Yours sincerely

Chris Hipkins
Minister of Education

SENT

Dear 9(2)(a)

On 4 February 2018 you requested the following information:

- o a list of all briefings, reports, aide memoirs, weekly bullets, and memos received by the Minister in his capacity as Education, State Services & Ministerial Services Minister between 1 November 2017 and 31 January 2018.

I have considered your request under the Official Information Act 1982 (the Act).

I am providing you with a list of all briefings, reports, aide memoires and memos I have received from Government agencies in my capacity as Education, State Services & Ministerial Services Minister between 1 November 2017 and 31 January 2018. I have also received regular weekly and fortnightly reports from education agencies; these are not included in the table of education titles. I have also not included titles of reports forwarded to me from other Ministers for noting.

Some titles have been withheld under section 9(2)(f)(iv) of the Act, to maintain the constitutional conventions for the time being which protect the confidentiality of advice tendered by Ministers of the Crown and officials.

You may be interested to know that a number of the reports included in the list being released are already publicly available, and can be found on the Ministry of education's website by searching "information releases" or at the following link: <http://www.education.govt.nz/ministry-of-education/information-releases/>. You can also find information releases from the State Services Commission at the following link: <http://www.ssc.govt.nz/information-releases>.

I have also received the Education Weekly Update (EWU), which is produced for Ministers by the Ministry of Education. I received copies of the EWU between 3 November 2017 and 15 December 2017, and since 12 January 2018.

In making my decision, I have considered the public interest considerations in section 9(1) of the OIA.

I hope that this information is helpful for you. You have the right to ask an Ombudsman to review this decision. You can do this by writing to info@ombudsman.parliament.nz or Office of the Ombudsman, PO Box 10152, Wellington 6143.

Yours sincerely

Chris Hipkins
Minister of Education

9(2)(a)

Dear 9(2)(a)

On 1 May 2018 you requested the following information:

- *A list of all briefings, reports, aide memoirs, weekly bullets/reports and memos received by you in your capacity as Minister of Education between 1 April 2018 and 30 April 2018.*

Your request has been considered under the Official Information Act 1982 (the Act).

Please find attached a list of all reports I have received in my capacity as Minister of Education between 1 April and 30 April 2018.

The attached list has been compiled after consultation by my office with the Ministry of Education and the education Crown Entities, including the Tertiary Education Commission, Education New Zealand, the Education Review Office and the New Zealand Qualifications Authority. The list is broken down by date and title, and is separated by the entity that sent the report.

I have withheld in full the titles of a small number of reports that I have received. These report titles are withheld under:

- *section 9(2)(f)(iv) of the Act to maintain the constitutional convention for the time being which protects the confidentiality of advice tendered by Ministers of the Crown and officials, as these reports are under active consideration and decisions relating to these reports have not yet been made. It is, however, my intention to make some of the reports at issue publicly available at the appropriate time; or*
- *Section 9(2)(h) of the Act, in order to maintain legal professional privilege.*

I have also withheld specific parts of some titles under section 9(2)(a) of the Act, to protect the privacy of natural persons.

I have identified no public interest considerations favouring the release of the titles at issue which are sufficient to outweigh the need to withhold those titles at this time.

I have also received the Education Weekly Update since 1 April 2018.

I hope that this information is helpful for you. You have the right to ask an Ombudsman to review this decision. You can do this by writing to info@ombudsman.parliament.nz or Office of the Ombudsman, PO Box 10152, Wellington 6143.

Yours sincerely
