Kia ora Matthew,

The information you requested - CAS-380529-G9C3T4

Thank you for your request for information dated 31 May 2021 about:

I request all information held by Auckland Transport about the incident on Auckland Harbour Bridge on Sunday 30 May, prior to, during and after the incident.

In particular, I am interested in what advance warning Auckland Transport or any of its directors, employees, consultants or other agents had of the incident, and what actions were taken to encourage, deter, facilitate or prevent the incident. However, please note that my request is broad, and includes all information as stated.

Auckland Transport did not offer any pre-approval of the closures of any lanes on Auckland Harbour Bridge. Waka Kotahi NZ Transport Agency are the agency responsible for the NZ motorway network, which includes the Auckland Harbour Bridge and adjoining on and off ramps. NZ Police led the operational support for the event.

I've attached the documents that are within scope of your request. Please note redactions have been made under section 7(2)(a) of the Local Government Official Information and Meetings Act 1987 (LGOIMA) as withholding of the information is necessary to protect the privacy of natural persons.

Should you believe that we have not responded appropriately to your request, you are able to make a complaint to the Office of the Ombudsman in accordance with section 27(3) of the LGOIMA,, and seek an investigation and review in regard to this matter.

Yours sincerely

Rua Pani
