Dear John Luke

I refer to your request of 21 June 2021, under the Official Information Act 1982 (OIA), an update on my response to you of 7 October 2020, regarding Limited Service Volunteer (LSV) patrons (OIA-2020-3928), as follows:

Also, can you kindly provide has there been any changes to allow general public to making the nominations? Since my request, who or which organization has been making the nominations or referrals to you, can you please provide a list of name that making the nominations? If privacy is an issue here, I am happy to just have received the name of organization they are representing or if it is a general public, I happy for you to just noted it is come from a general public.

There have been no changes to the system for nominations. As previously advised, nominations are made by the Defence Employer Support Council, Ministry of Social Development, employers or previous patrons. Officers commanding the Youth Development Unit may also make nominations.

You have the right, under section 28(3) of the OIA, to ask an Ombudsman to review this response to your request.

Yours sincerely
