Dear Scott

Official Information Act request relating to cyber security

Thank you for your request made under the Official Information Act 1982 (the Act) received on 21 June 2021. You requested:

“...ONE: I request a copy of the evaluation report and corrective action plan for the DPMC-led cyber security incident response exercise ACTUATOR, conducted November 2018 through the National Exercise Programme.

TWO: The Cyber Security Strategy Action Plan 2016 mandates “twice yearly inter-agency exercises, including with the private sector and international partners.”

I request the following information for every inter-agency cyber security exercise conducted since the beginning of 2019:

- The name of the exercise*
- The date it was conducted (month and year)*
- The identity of every participating agency or organisation*
- A description of the scenario covered*

THREE: The Cyber Security Strategy 2019 mandates the production of an annual Cyber Security Strategy work programme. I request a copy of the latest work programme.

FOUR: I request a copy of the Cyber Security Emergency Response Plan...”

I have decided under section 15A of the Act to extend the time limits for responding to your request by an additional 20 working days. Consequently, the extended due date for your response will be 16 August 2021. The extension is required because further consultations are needed in order to make a decision on your request. Despite this, a response will be sent to you as soon as possible.

You have the right to ask the Ombudsman to investigate and review my decision under section 28(3) of the Act.

Yours sincerely
