Dear Matthew

Thank you for your Official Information Act request received on 23 June 2021. You requested:

In your 2019 "wellbeing" budget, you announced \$1.9 billion in extra spending on mental health.

Under the OIA, I request all written reports you have received since then from Treasury on the allocation, expenditure, efficacy and outcomes, and efficiency of this spending.

I have decided under section 15A of the Official Information Act to extend the time limit for deciding on your request by an additional 20 working days. The new due date for responding to your request is 18 August 2021.

The extension is required because of the consultations needed to make a decision on your request.

This extension will also apply to the time limit for transferring your request, should this become relevant.

Notwithstanding this extension, I undertake to make a decision on your request as soon as reasonably practicable.

You have the right to ask the Ombudsman to investigate and review this decision.

Yours sincerely
