Dear Mr Pietkiewicz

Re: Official Information Act 1982 regarding China trip and Oravida

I write in regard to your request for information received in this office on 19 May 2014 from the Ministry of Justice. Under the Official Information Act 1982 (the Act) you requested:

"All documentation sent and received between Justice Minister Judith Collins and Chinese company Oravida.

The total amount of donations made by Oravida to the National Party and the dates the donations were made

Documentation on the relationship between Minister Collins and Oravida, including names of the Chinese government officials who met the Minister

A list of all Twitter messages sent by Minister Collins"

I have attached a copy of the letter inviting me to visit Oravida's Shanghai office. I accepted this invitation verbally, providing that it could be worked into a schedule of a planned visit to China at the invitation of the Ministry of Justice of the People's Republic of China.

As Minister of Justice I do not have any responsibility for donations made to the National Party. Therefore I am declining your request under section 2(1) of the Act. This information is also publicly available through the elections.org.nz website.

My relationship with directors of Oravida is private and not in my capacity as Minister of Justice. Therefore I am declining your request under section 2(1) of the Act.

I operate my Twitter account in my capacity as MP for Papakura. Therefore I am declining your request under section 2(1) of the Act.

If you are unsatisfied with this response you have the right under section 28(3) of the Act to make a complaint to the Ombudsman.

Yours sincerely

Hon Judith Collins
Minister of Justice

Hon. Judith Collins
