- (a) repair and maintain:
 - (i) the interior of the Premises; and
 - (ii) all Lessor's fixtures, fittings and chattels (excluding Essential Services) which are located within the interior of the Premises; and

- (b) keep any exterior grounds, yards and surfaced areas comprised in or forming part of the Premises in a tidy condition, and maintain any garden or lawn areas in a tidy and cared for condition.

17.2 The Lessee shall, at its expense and to the reasonable satisfaction of the Lessor, at the expiration or earlier determination of the Term (or, where this Lease is renewed, at the expiration or earlier determination of the last renewed term):

- (a) quietly yield up the interior of the Premises and the Lessor's fixtures, fittings and chattels contained in the Premises:
 - (i) in the same order, repair and condition as they were in at the Commencement Date of the initial Term of this Lease (in respect of the interior of the Premises, subject to fair wear and tear and normal ageing); and
 - (ii) free from unsafe concentrations of contaminants and hazardous substances on, in or under the Premises arising as a result of the use of the Premises by the Lessee or any sub-lessee;
- (b) replace all broken glass in windows and doors forming part of the Premises;
- (c) replace any Lessor's fixtures, fittings and chattels located within the interior of the Premises and which cannot be yielded up in the same order, repair and condition as they were in at the Commencement Date of the initial Term of this Lease with items of a similar standard to the original items;
- (d) paint and redecorate those parts of the interior of the Premises which have previously been painted and decorated (unless and to the extent that the same have been painted and redecorated within the preceding twelve (12) months and do not reasonably require further painting and redecorating) to a specification reasonably determined by the Lessee, but in any event, such specification shall not be required to exceed the standard to which the Premises were decorated at the Commencement Date of the initial Term of this Lease;
- (e) replace all floor coverings and curtains in the Premises (unless and to the extent that the same have been replaced within the preceding twelve (12) months and do not reasonably require further replacement) to a specification reasonably determined by the Lessee, but in any event, such specification shall not be required to exceed the standard of the floor coverings and curtains in the Premises at the Commencement Date of the initial Term of this Lease; and
- (f) make good any damage to the Premises (including damage to any drains, fences, paths, lawns, gardens, or grounds, or to any clotheslines or other facilities provided in the grounds, or to any conduits serving the Premises, or to any windows, doors, Lessor's fixtures, fittings and chattels, or other facilities leased with the Premises) caused by the wilful or negligent act or omission of the Lessee or any sub-lessee, except to the extent that the Lessor is able to recover the cost of making good such damage under insurance effected by the Lessor.

- 17.3 The Lessee shall not be responsible under clause 17.2 or otherwise under this Lease for:
- (a) any repair and maintenance which the Lessor is responsible to undertake;
 - (b) any repair of any inherent defect in the Premises (including any inherent defect in the Essential Services or in the Lessor's, fixtures, fittings and chattels); and
 - (c) making good any loss or damage by fire, flood, explosion, lightning, storm, earthquake, volcanic activity, earth subsidence, other extraordinary weather event or natural disaster, inevitable accident or the occurrence of any other peril against the risk of which the Lessor is or has covenanted with the Lessee to be insured, save where and to the extent that:
 - (i) the damage was intentionally done or caused by the Lessee or the Lessee's employees, contractors, sub-lessee or sub-lessee's invitees; or
 - (ii) the damage was the result of an act or omission by the Lessee or the Lessee's employees, contractors, sub-lessee or sub-lessee's invitees that:
 - (1) occurred on or about the Premises or the property; and
 - (2) constitutes an imprisonable offence; or
 - (iii) any insurance moneys that would otherwise have been payable to the Lessor for the damage are irrecoverable because of an act or omission of the Lessee or the Lessee's employees, contractors, sub-lessee or sub-lessee's invitees.
- 17.4 The Lessor acknowledges and accepts that:
- (a) the Premises will be used for social housing during the Term; and
 - (b) subject to the Lessee complying with any applicable statutory or regulatory requirements regarding the same and also with its obligations in clause 17.2 at the expiration or earlier determination of the Term (or, where this Lease is renewed, at the expiration or earlier determination of the last renewed term), but otherwise despite any other provision of this Lease:
 - (i) the Lessee may, in its sole discretion, elect to defer the performance of or compliance with any maintenance, repair, reinstatement or replacement obligations it may have under this Lease in respect of the Premises and/or the Lessor's fixtures, fittings and chattels contained in the Premises until the expiration or earlier determination of the Term (or, where this Lease is renewed, at the expiration or earlier determination of the last renewed term) and in doing so it shall not be or be deemed to be in breach of those obligations; and
 - (ii) the Lessee is not obliged to ensure, nor does it make any warranty or representation (expressed or implied) whatsoever, that the Premises and the Lessor's fixtures, fittings and chattels contained in the Premises will at all

times during the currency of this Lease be kept and maintained in clean order, repair and condition.

18. INSURANCE

18.1 The Lessor shall insure the Premises for their full reinstatement value against loss, damage or destruction by fire, flood, explosion, lightning, storm, earthquake, volcanic activity, earth subsidence, other extraordinary weather event or natural disaster, or inevitable accident.

18.2 For the avoidance of doubt, sections 268 to 270 of the Property Law Act 2007 apply to this Lease. In view of that, where the Premises or any part(s) of the property are damaged or destroyed by:

- (a) fire, flood, explosion, lightning, storm, earthquake, volcanic activity, earth subsidence, other extraordinary weather event or natural disaster or inevitable accident; or
- (b) the occurrence of any other peril against the risk of which the Lessor is insured or has covenanted with the Lessee to be insured,

then:

- (c) the Lessor must not require the Lessee:
 - (i) to meet the cost of making good the destruction or damage; or
 - (ii) to indemnify the Lessor against the cost of making good the destruction or damage; or
 - (iii) to pay damages in respect of the destruction or damage; and
- (d) the Lessor must indemnify the Lessee against the cost of carrying out any works to make good the destruction or damage if the Lessee is obliged by the terms of this Lease to carry out those works.

18.3 Clause 18.2 applies:

- (a) even if an event that gives rise to the destruction or damage is caused or contributed to by the negligence of the Lessee or a person for whose acts or omissions the Lessee is responsible including the Lessee's employees, contractors, sub-lessee or sub-lessee's invitees; and
- (b) except as provided in clause 18.4.

18.4 Clause 18.2(c) does not excuse the Lessee from any liability to which the Lessee would otherwise be subject, and the Lessor does not have to indemnify the Lessee under clause 18.2(d), if, and to the extent that:

- (a) the destruction or damage was intentionally done or caused by the Lessee or the Lessee's employees, contractors, sub-lessee or sub-lessee's invitees; or

- (b) the destruction or damage was the result of an act or omission by the Lessee or the Lessee's employees, contractors, sub-lessee or sub-lessee's invitees that:
 - (i) occurred on or about the Premises or the property; and
 - (ii) constitutes an imprisonable offence; or
- (c) any insurance moneys that would otherwise have been payable to the Lessor for the destruction or damage are irrecoverable because of an act or omission of the Lessee or the Lessee's employees, contractors, sub-lessee or sub-lessee's invitees.

18.5 The Lessee may manage any remedial work resulting from any insurance claims on the Lessor's behalf (acting reasonably) and will be entitled to recover the costs of such management from the Lessor's insurance company or, failing that, the Lessor except where the damage is caused by the deliberate or wilful act or omission of the Lessee.

18.6 The Lessor shall:

- (a) on or before the Commencement Date, provide in writing to the Lessee full copies of the policy of insurance effected and maintained by or on behalf of the Lessor in respect of the Premises (and, if the Premises form part of a unit title development under the Unit Titles Act 2010 so clause 22.1 applies, by or on behalf of the relevant Body Corporate) and a certificate of currency for that policy (together, "**policy documents**");
- (b) provide in writing to the Lessee any policy documents and other information about insurance of the Premises that the Lessee reasonably requests from time to time;
- (c) if anything changes so that any policy documents or other information provided by the Lessor in accordance with this clause 18.6 are no longer accurate, current or correct, provide the accurate, current or correct policy documents or information in writing to the Lessee; and
- (d) provide all policy documents and other information in accordance with clauses 18.6(b) and 18.6(c) promptly and in any case within such timeframe as the Lessee reasonably requires to enable the Lessee to meet any insurance disclosure obligations to any sub-lessee of the Premises under the Act or otherwise.

18.7 The Lessee:

- (a) is entitled to rely on the policy documents and other information provided by the Lessor about insurance of the Premises in accordance with clause 18.6 as conclusive evidence of the accuracy, currency and correctness of those policy documents and the matters described in that information; and
- (b) may disclose the policy documents and other information about insurance of the Premises (including any policy documents and other information provided by the Lessor in accordance with clause 18.6) to any sub-lessee of the Premises pursuant to any insurance disclosure obligation that the Lessee may have to do so under the Act or otherwise.

18.8 The provision of the policy documents and any other information by the Lessor to the Lessee does not in any way whatsoever excuse the Lessor from or modify any obligations and liabilities which the Lessor has in respect of the insurance of the Premises in accordance with this Lease.

18.9 The Lessee may recover from the Lessor any loss suffered by the Lessee due to the Lessor's default of its obligations under clause 18.6 (including by setting off any amounts payable by the Lessee to the Lessor or otherwise).

19. DAMAGE TO OR DESTRUCTION OF PREMISES

19.1 If the Premises are destroyed or damaged:

(a) so as to render them uninhabitable; or

(b) in the reasonable opinion of either party, so as to require demolition or reconstruction, either party may give the other not less than fourteen (14) days' written notice (or, in the Lessor's case, such longer period as may be provided for in clause 19.10) terminating this Lease. If this Lease is terminated pursuant to the provisions of this clause 19.1 such termination shall be without prejudice to the rights of either party arising prior to such termination.

19.2 Where the Premises are or will be inaccessible or incapable of being used for their intended purpose due to an event or circumstances not caused by the Lessee or those for who the Lessee is responsible (an "Event"), then:

(a) the Monthly Rent and Outgoings shall cease to be payable by the Lessee as from the date of the Event until the Premises are once again fully accessible and/or capable of being used for their intended purpose (as applicable); and

(b) the Lessee may give the Lessor not less than fourteen (14) days' written notice terminating this Lease.

If this Lease is terminated pursuant to the provisions of this clause 19.2 such termination shall be without prejudice to the rights of either party arising prior to such termination. This clause 19.2 overrides any contrary provision in this Lease.

19.3 If the Premises are partly damaged or destroyed but not so as to render them uninhabitable, or are rendered uninhabitable, inaccessible or incapable of being used for their intended purpose but a notice to terminate the Lease is not given by either party under clauses 19.1 or 19.2 (as applicable), the Lessor shall proceed to repair, reinstate or reconstruct the Premises as soon as reasonably practicable.

19.4 During the effecting of such repairs or reinstatement and until their completion the Monthly Rent shall abate according to the nature and extent of the damage or destruction (and subject always to clause 19.2).

- 19.5 Any repair, reinstatement or reconstruction shall be carried out by the Lessor in consultation with the Lessee using materials, a form of construction and according to a plan acceptable to the Lessee and so that:
- (a) the Premises after completion of such repair or reinstatement are of the same size, quality and standard as they were in prior to such damage or destruction; and
 - (b) the Lessee's obligations under this Lease are not materially increased; and
 - (c) the Premises are no less suitable for the Lessee's use and enjoyment of the Premises immediately preceding the date on which such damage or destruction occurred.
- 19.6 If vacant possession of the Premises is reasonably required to enable the Lessor to carry out any repairs or reinstatement then the Lessor shall give the Lessee written notice specifying the date on which possession is required that date being such as to enable the Lessee to give such notice to its sub-lessees as may be required by the Act prior to entry by a landlord. No Monthly Rent shall be payable while the Lessee or any sub-lessee is required to yield up possession of the Premises to enable any repairs or reinstatement to be carried out. For the avoidance of doubt, any requirement for the Lessee to yield up possession of the Premises to enable the Lessor to carry out any repairs or reinstatement under this clause 19.6 does not, alone or of itself, mean that the Premises are rendered uninhabitable.
- 19.7 Where the Premises are not so damaged so as to be uninhabitable and a sub-lessee of the Lessee is still in occupation of the Premises the Lessor must give the Lessee sufficient notice in accordance with clause 15 to enable the Lessee to comply with the requirements of the Act as to entry by a landlord prior to exercising any rights of access to carry out repairs and shall otherwise access the Premises and carry out the work in a manner which complies with this Lease and the obligations of a landlord under the Act.
- 19.8 Without limiting clauses 19.1 and 19.2, if:
- (a) the Premises are not repaired, reinstated or reconstructed to the same standard that the Premises were in immediately preceding the date on which such damage or destruction occurred within a reasonable period after the date of the damage occurring; or
 - (b) any sub-lessee of the Lessee obtains any order from the tenancy tribunal pursuant to section 59(4)(b) of the Act that it is unreasonable to require the sub-lessee to continue the sub-tenancy even at a reduced rental,
- then the Lessee may terminate this Lease upon notice being given to the Lessor.
- 19.9 Clause 11 shall not apply to any required repair, reinstatement or reconstruction under this clause 19 unless the Lessee at any time notifies the Lessor that (having regard to its role to provide quality social housing) the Lessee requires such repair, reinstatement or reconstruction to be carried out by the Lessee for and on behalf of the Lessor in accordance with clause 11 and otherwise with the provisions of this clause 19. If the Lessee proceeds to repair, reinstate or reconstruct the Premises for and on behalf of the Lessor in accordance with this clause 19.9 (not being emergency, temporary or impermanent repairs primarily to

protect and/or preserve the health, safety and security of the occupants of the Premises or any personal property), then neither party shall then have any continuing right to terminate this Lease under clause 19.1 or 19.2 (as applicable) arising from the occurrence of the relevant damage or destruction.

- 19.10 Having regard to the Lessee's obligations to any sub-lessee under the Act, if the Act at any time provides for any longer minimum period for a landlord to give notice terminating a tenancy where premises are destroyed or damaged as to be uninhabitable then the minimum notice period for a Lessor's notice set out in clause 19.1 shall be deemed to be adjusted (as applicable) to reflect such greater restrictions as are then imposed upon a landlord under the Act.

20. FORCE MAJEURE

- 20.1 If either party shall fail to comply with or observe any maintenance, repair or reinstatement obligation for which that party is responsible under this Lease and such failure is caused by any Force Majeure Event provided such party exercises reasonable diligence to put itself again in a position to carry out its obligations that failure shall not give rise to any cause of action or liability due to any such failure.
- 20.2 If a party becomes aware of a serious prospect of a Force Majeure Event it shall notify the other party as soon as reasonably practicable of the particulars of which it is aware.
- 20.3 No Force Majeure Event shall relieve either party from their obligations to make payments of amounts due prior to the occurrence of the Force Majeure Event.

21. ASSIGNMENT, TRANSFER OR VESTING

- 21.1 The Lessee shall not assign this Lease without first obtaining the written consent of the Lessor which consent shall not be unreasonably or arbitrarily withheld if:
- (a) the Lessee proves to the reasonable satisfaction of the Lessor that the proposed assignee is (or in the case of the company the shareholders of the proposed assignee are) respectable, responsible and has the financial resources to meet the Lessee's commitments under this Lease;
 - (b) all rent and other moneys payable under this Lease have been paid and there are no material subsisting breaches of any of the Lessee's covenants contained in this Lease;
 - (c) a deed of covenant in customary form approved or prepared by the Lessor is duly executed by the assignee and delivered to the Lessor; and
 - (d) the Lessee pays the Lessor's proper costs and disbursements in respect of the approval and the preparation of any covenant.
- 21.2 Despite clause 21.1, the Lessee shall not be obliged to obtain or seek the consent of the Lessor to any change in the shareholding of the Lessee or to any assignment of this Lease:

- (a) to HNZC or to a related company (as that term is defined in the Companies Act 1993) of the Lessee or of HNZC or a company amalgamating with HNZ or HNZC; or
- (b) to the Crown (whether acting through a Minister of the Crown or otherwise) or a Crown entity (as defined in section 2(1) of the Public Finance Act 1989) or a state enterprise or any company which is wholly-owned by a Crown entity or a state enterprise:
 - (i) empowered or set up in connection with any national or regional reorganisation, restructuring or reconstruction of HNZ and/or of HNZC; and/or
 - (ii) in which all property, liabilities, contracts, engagements, rights and/or authorities of HNZ and/or of HNZC are or will be statutorily vested; or
- (c) which is a social housing transaction under the Housing Corporation Act 1974.

22. UNIT TITLE AND CROSS LEASE COVENANTS

22.1 Where the Premises form part of a unit title development under the Unit Titles Act 2010 the following provisions shall apply:

- (a) The expression "**Body Corporate**" means the Body Corporate incorporated under the Unit Titles Act 2010 in respect of the property.
- (b) The Lessor shall supply the Lessee with a copy of the rules of the Body Corporate from time to time applying in respect of the Premises.
- (c) The Lessee shall not do anything or omit to do anything which would place the Lessor in breach of any of the rules of the Body Corporate.
- (d) The Lessee shall not be required to pay any charges or fees levied by the Body Corporate.
- (e) The Lessor's obligation to insure the building shall be satisfied by the Body Corporate maintaining the same insurance covers in accordance with the Unit Titles Act 2010.
- (f) The Lessee's obligation to indemnify the Lessor in this Lease is extended to include the Body Corporate but only to the extent that the Body Corporate is not fully indemnified under any policy of insurance.
- (g) The Lessor shall observe and perform all of the Lessor's obligations as a member of the Body Corporate and shall use the Lessor's best endeavours to:
 - (i) ensure that the Body Corporate complies with its rules and the provisions of the Unit Titles Act 2010; and
 - (ii) without limiting clause 22.1(g)(i), procure that the Body Corporate performs the Lessor's repair and maintenance obligations under this Lease (as and to the extent that the Body Corporate rather than the Lessor is primarily responsible for the same) including:

- (1) managing, maintaining and keeping in a good state of repair the common property comprised in the unit title development and any assets owned by the Body Corporate or designed for use in connection with the common property; and
- (2) maintaining, repairing, or renewing all building elements and all infrastructure that relate to or serve more than 1 unit (as those terms are defined in the Unit Titles Act 2010).
- (h) Where in this Lease the consent of the Lessor is required in respect of any other matter then the like consent of the Body Corporate shall also be required if the consent of the Body Corporate to any such matter would be necessary under the rules of that Body Corporate or the Unit Titles Act 2010.
- (i) Subject to any restriction imposed in the rules of the Body Corporate applying at the time in respect of the Premises, the Lessor shall:
- (i) advise the Lessee in writing of:
- (1) any annual general meeting or extraordinary general meeting of the Body Corporate (each a “**Body Corporate meeting**”) by at least five (5) days prior notice and, subject to the Lessor’s advance receipt of the same from the Body Corporate, the proposed agenda for that Body Corporate meeting; and
- (2) any resolution(s) proposed to be passed at any Body Corporate meeting or otherwise in accordance with the rules of the Body Corporate, subject to and in any event as soon as reasonably practicable following the Lessor’s receipt of the same from the Body Corporate;
- (ii) permit the Lessee (or the Lessee’s nominated representative), if the Lessee so elects in its discretion, to attend any Body Corporate meeting together with the Lessor; and
- (iii) consult with the Lessee beforehand and exercise any vote that the Lessor is entitled to cast as a member of the Body Corporate and/or of a Body Corporate committee (whether at any Body Corporate meeting or otherwise in accordance with the rules of the Body Corporate) in a manner consistent with and otherwise having reasonable regard to the Lessee’s interests and views as lessee under this Lease and sub-lessor of the Premises.
- (j) (i) In conjunction with the lease of the Premises, the Lessor grants to the Lessee the right to use the common areas together with the Lessor and any other persons authorised by the Lessor, subject to such restrictions as are specified in this Lease.
- (ii) In this clause 22.1(j), “**common areas**” means those parts of the property the use of which is necessary for the enjoyment of the Premises and which is

shared with the Lessor, other lessees and/or occupiers (such as but not limited to rights of way, car parks and other shared facilities (as that term is defined in the Unit titles Act 2010)).

22.2 Where the Premises form part of a cross lease development the following provisions shall apply:

- (a) The expression "**Common Lessors**" means all of the Lessors under a lease for a flat or unit in a cross lease development.
- (b) The expression "**Cross leases**" means the registered cross leases which form part of the title to the Premises and the Lessor's right and interest in fee simple and leasehold interest in the Premises.
- (c) This Lessee shall not do anything or omit to do anything which would place the Lessor in breach of the Cross leases.
- (d) The Lessor shall observe and perform all of the Lessor's obligations under the Cross leases as a Common Lessor and shall use the Lessor's best endeavours to ensure that the Common Lessors comply with the Cross leases.
- (e) Where in this Lease the consent of the Lessor is required in respect of any other matter then the like consent of the Common Lessors shall also be required if the consent of the Common Lessors to any such matter would be necessary under the Cross leases.

23. NO SUBDIVISION

The Lessor shall not subdivide the property (or any part of it) further in order to create any additional lot or lots whether by fee simple titles, unit titles, cross leases or otherwise during the Term (or any Further Term) except, if applicable, to enable the registration of this Lease.

24. CANCELLATION

24.1 If:

- (a) the Monthly Rent or any part shall be in arrears and unpaid ten (10) Business Days after the due dates for payment; or
- (b) any of the covenants or agreements of this Lease on the part of the Lessee have not been observed and performed; or
- (c) the Lessee is in liquidation or receivership or shall make or enter into composition, assignment or other arrangement with or for the benefit of its creditors,

(subject, in either case, to the non payment or breach not being the subject of a bona fide dispute between the Lessor and the Lessee) then the Lessor may give the Lessee notice of the default in accordance with the provisions of section 245 (in respect of the covenant to pay the Monthly Rent) or section 246 (in respect of any other breach of covenant by the Lessee) of the Property Law Act 2007. If, after fifteen (15) Business Days of the Lessee's receipt of that

notice (or, in the case of any default under clause 24.1(b), such longer period that is reasonable in the circumstances), the default is not remedied, then (in addition to the Lessor's right to apply to the Court for an order for possession) it will be lawful for the Lessor thereupon or at any time thereafter to re-enter upon the Premises or any part of the Premises whereupon the Term shall be cancelled but without prejudice to the rights of either party against the other.

24.2 If:

- (a) any amounts payable by the Lessor shall be in arrears and unpaid after the due date for payment; or
- (b) the Lessor breaches any of the covenants or agreements of this Lease to be observed and performed on the part of the Lessor; or
- (c) the Lessor is bankrupt, in liquidation or receivership or shall make or enter into composition, assignment or other arrangement with or for the benefit of its creditors; or
- (d) the Premises constitute a leaky building (as defined in clause 9.1(d)); or
- (e) the Premises are no longer inhabitable or adequate for the Permitted Use; or
- (f) any contaminant or hazardous substance is found to exist in unsafe concentrations on, in or under the Premises as at the Commencement Date or arising as a result of previous uses of the Premises and/or other parts of the Lessor's property,

(subject, in any case, to the non payment or breach not being the subject of a bona fide dispute between the Lessor and the Lessee) then the Lessee may give the Lessor notice of the default.

24.3 If, after fifteen (15) Business Days of the Lessor's receipt of a notice given by the Lessee under clause 24.2, the default is not remedied, then it will be lawful for the Lessee thereupon or at any time thereafter to:

- (a) recover from the Lessor any loss suffered by the Lessee due to the Lessor's default (including by setting off any amounts payable by the Lessee to the Lessor or otherwise);
- (b) convert this Lease by further written notice to (at the Lessee's election) either a monthly tenancy or a three (3) monthly tenancy, terminable by one (1) month's notice (in the case of a monthly tenancy) or three (3) months' notice (in the case of a three (3) monthly tenancy), at the Annual Rent then payable and otherwise on the same terms and conditions as this Lease (so far as applicable to a monthly or three (3) monthly tenancy, as the case may be);
- (c) cancel this Lease by further written notice, either with immediate effect or (at the Lessee's election) with effect from the date which is three (3) months following the Lessor's receipt of that further notice whereupon the Term shall be cancelled but without prejudice to the rights of either party against the other;

(d) exercise any of its other legal rights.

25. ESSENTIALITY OF PAYMENTS

25.1 Failure to pay the Monthly Rent on the due date shall be a breach going to the essence of the Lessee's obligations under this Lease.

25.2 The acceptance by the Lessor of arrears or of any late payment of Monthly Rent shall not constitute a waiver of the essentiality of the Lessee's continuing obligations to pay the Monthly Rent.

26. LOSS ON RE-ENTRY

On re-entry the Lessor shall be entitled on reasonable prior notice to the Lessee to remove from the Premises any of the sub-lessee's possessions and, subject to section 62 of the Act, place them outside the Premises or such other place as the Lessor decides and the Lessor shall not be responsible for any damage caused to such possessions or for any loss suffered by the Lessee or the sub-lessee.

27. REMOVAL OF FIXTURES AND FITTINGS

The Lessee will be entitled to remove at any time and if required by the Lessor by notice not less than five (5) Business Days following cancellation or expiration of the Term of this Lease will remove at the expiration or sooner determination of the Term or at such other time as the Lessee gives up possession of the Premises all fixtures and fittings which belong to the Lessee or which the Lessee has installed in the Premises.

28. DEALINGS WITH SUB-LESSEE FOLLOWING TERMINATION OR CANCELLATION

If this Lease is terminated or cancelled and the Lessor leases the Premises directly to the sub-lessee the Lessee will arrange for the transfer of the sub-lessee's bond to the Lessor.

29. DISPUTES

29.1 No party to this Lease shall commence any court or arbitration proceedings relating to any dispute arising out of this Lease (including any dispute as to the validity, breach or cancellation of this Lease or as to any claim in tort, in equity or pursuant to any statute) unless that party has complied with the following paragraphs of this clause 29.

29.2 Any party who claims that a dispute has arisen under or in relation to this Lease must give written notice to every other party specifying the nature of the dispute.

29.3 On receipt of such notice by the other party the parties to this Lease:

(a) must co-operate and use their best endeavours to resolve the dispute expeditiously.

(b) must, if they do not within seven (7) days of receipt of the notice (or such further period as they may agree in writing) resolve the dispute, refer the matter in dispute to

mediation by an independent mediator accredited by LEADR New Zealand Incorporated (the “mediation”).

- 29.4 The mediation shall in all respects be conducted in terms of the LEADR New Zealand Incorporated Standard Mediation Agreement.
- 29.5 The mediation shall be conducted by a mediator and at a fee agreed by the parties. Failing agreement between the parties the mediator shall be selected and the mediator’s fee shall be determined by the Chair for the time being of LEADR New Zealand Incorporated. The costs of the mediator’s fees shall be shared equally by the Lessor and the Lessee with each party paying their own costs. Such mediation process shall not (unless otherwise agreed between the parties) extend beyond a period of ten (10) Business Days following the appointment of the mediator.
- 29.6 A party who seeks urgent interlocutory relief may, by written notice to the other party to the dispute, elect not to comply with the provisions of clauses 29.1 to 29.5 but only to the extent of the relief sought and for the period required to dispose of the application for such interlocutory relief. Except to that extent on the disposal of the application the provisions of clauses 29.1 to 29.5 shall once again take effect.
- 29.7 Where any dispute arising between the parties under this Lease cannot be resolved pursuant to clauses 29.1 to 29.5 within the periods referred to in clauses 29.1 to 29.5 the parties may take such steps as they consider appropriate to resolve the dispute.
- 29.8 Pending resolution of any dispute the parties will continue to perform their obligations in this Lease which are not directly at issue in the dispute.
- 29.9 Nothing in this clause 29 shall prevent a party suing the other for arrears of Annual Rent or other monies payable under this Lease.

30. NOTICES

Any notice to be given under this Lease shall, unless otherwise required by sections 353 to 361 of the Property Law Act 2007, be deemed sufficiently served if delivered, sent by registered post or sent by facsimile to the addressee at the addressee’s address specified in the Particulars (which must be a New Zealand address) or such other New Zealand address as is notified to the other party from time to time. Any notice delivered shall be deemed to be served on the date of delivery, any notice posted by registered post shall be deemed to have been served on the second day following the posting and any notice sent by facsimile shall in absence of evidence to contrary be deemed to be served contemporaneously with the generation of the sending party’s facsimile machine of an error free transmission receipt. Any notice sent by fax shall be followed by a copy of that notice sent or delivered by any other of the methods for service. Any notice or other document or writing served or given by either party hereunder shall be valid and effectual if served or given under the hand of any authorised representative of that party.

31. WAIVER

No waiver or failure to act by the Lessor in respect of any breach by the Lessee of any covenant or agreement shall operate as a waiver of another breach.

32. CONFIDENTIALITY

34.2 The Lessor warrants that it has, at its cost, obtained and delivered (or will deliver) to the Lessee a written acknowledgement from any mortgagee, chargeholder or any other person acquiring a security interest or other encumbrance over the Lessor's property and/or the Lessor's interest in this Lease that such mortgagee, chargeholder or other person:

- (a) is fully aware of the existence and operation of this Lease and unconditionally consents to the grant of this Lease; and
- (b) confirms to the Lessee that if it exercises any rights under its mortgage, charge, security interest or encumbrance (as applicable), it shall exercise all rights subject the Lessee's interest under this Lease and shall ensure that there is no interference with the Lease and the ability of the Lessee or other occupant of the Premises to continue to use and/or occupy the Premises.

34.4 If the Lessor breaches clauses 34.1, 34.2 or 34.3, then without prejudice to the Lessee's rights and remedies under this Lease and at law (including but not limited to its right to seek injunctive relief), the Monthly Rent and Outgoings shall cease to be payable by the Lessee as from the date of the breach until the breach is remedied.

35. EXCLUSION OF IMPLIED TERMS IN PROPERTY LAW ACT 2007

To the extent permitted by law or as may be contradicted by this Lease, the covenants, powers and provisions (if any) implied in leases by virtue of Schedule 3 of the Property Law Act 2007 are expressly negated.

- (a) the Expiry Date shall be updated accordingly to reflect the due expiry date of the Renewed Lease;

- (b) the Further Terms shall be reduced by one, or deleted entirely if no Further Terms remain, to the intent that no right to renew this Lease shall extend beyond the Final Expiry Date;

- (a) the Term of the Lease, or the Further Term as the case may be, shall automatically be extended by a further period of:
 - (i) three (3) months; or
 - (ii) such longer period as may at that time be required under the Act to enable the Lessee to give notice to terminate any sub-tenancy and comply with its corresponding obligations to any sub-lessee under the Act,

- (b) the Expiry Date and the Final Expiry Date shall each be deferred by a corresponding period; and
- (c) the rent payable during such extended period shall be the rent payable immediately prior to that period.
