## Official Information Act request relating to New Zealand legislation

Thank you for your Official Information Act 1982 (the Act) request, received on 6 November 2021. You requested:

*"The New Zealand Government and its agencies are corporations established by legal incorporation as a "body corporate" and not a "body politic".*

*True or False*

*De facto incorporated governments cannot have jurisdiction over de jure living people, unless by fully disclosed and willful consent, subject to "due process of Law".*

*True or False*

*The Imperial Laws Applications Act 1988 states "common law ... shall be part of the laws of New Zealand".*

*[<https://www.legislation.govt.nz/act/public/1988/0112/latest/DLM135088.html>]*

*True or False*

*The Observance of Due Process of Law Statute 1368 acknowledges 'due process' ... 'according to the old law of the land'.*

*[<https://www.legislation.govt.nz/act/imperial/1368/0003/latest/whole.html>]*

*True or False*

*The government, however politically organized, governs subject to the consent of the people, one and all, every day, and every moment which is given unilaterally, not collectively via a government election.*

*True or False*

*The informed and freely given consent of each man and woman is what gives rise to, and maintains, "the law" of our nation, which is "Law of the Land". As the maxim of law says: Consent makes the law.*

*True or False*

*Each and every statute enacted by government legislation requires consent from each and every man or woman.*

*True or False*

*All statutes, codes, rules, orders, regulations, mandates, and so-called by-"laws", are INSTRUMENTS, commercial contracts written by your government that require our fully informed consent.*

*True or False*

*Any method used to compel a man or woman to consent to "joinder" with a government enactment without it being voluntary, free from "duress" commits the crime of "extortion" [causing a man or woman to unwillingly surrender their property]*

*True or False*

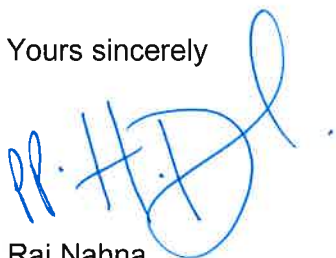

*A man or woman's body and children are their property and they have the inalienable right, reserving all rights, to allow or not allow access to that property without prejudice.*

*True or False"*
