Dear James

### **Information Request**

I refer to your correspondence received on 11 January 2022 in which you requested information relating to the New Zealand Police vehicle fleet. You requested:

- *Like a list of all vehicle Models Currently in use and used within the last ten years as of January 11th, 2022. This list includes vehicle makes (e.g. Holden) and Vehicle model (e.g. commodore)*
- *Like the amount of each vehicle Currently in use including specific counts of each use case e.g. Holden Commodore 1,444 in use, 800 for highway patrol, 644 general duties. This list is to include vehicles that are used by each area department of the New Zealand police Such as the diplomatic protection squad and the armed offenders squad.*

I have considered your request under the Official Information Act 1982 (OIA).

Information in response to each part of your request can be found in the attached appendix.

This information was sourced from the Master Fleet Summary, a document that changes daily. This can be for several reasons such as a vehicle has reached the end of its service and decommissioned, replaced by a new vehicle, or transferred to a different working group.

All vehicle models used by Police in the period 2016 to 21 January 2021 are represented in the appendix. Providing records prior to 2016 would involve a substantial amount of collation and research to obtain, therefore those records are refused under section 18(f) of the Official Information Act 1982.

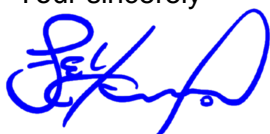

The allocation of resources to specialised working groups is operationally sensitive and must be remain confidential to uphold the maintenance of law. For this reason, some information you requested regarding how many vehicles are assigned to a particular specialised squad, the Armed Offenders Squad (AOS) for example, has been withheld under section 6(c) of the OIA as making that information is likely to prejudice the maintenance of the law. However, I have supplied the total number of vehicles assigned each of the specialised working groups as you have requested, but not to such a granular level where it compromises the confidentiality of those working groups.

I trust this information is of use to you. You have the right, under section 28(3) of the OIA, to ask the Ombudsman to review my decision if you are not satisfied with the way I have responded to Your request.

Your sincerely

Inspector Brian Yanko  
Manager: Fleet Service Group
