Dear Mr O'Gorman,

REQUEST FOR OFFICIAL INFORMATION

I refer to your request for official information dated the 12th of August 2014.

I enclose the information you requested but have withheld some information in reliance on Section 9(2)(a) of the Official Information Act 1982.

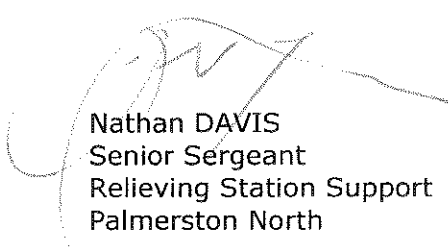

The reasons for withholding the information in relation to the streets where the arrests were made, is that this information may identify individuals. Section 9(2)(a) of the Official Information Act outlines the protection of privacy for natural persons. To compensate for this information being withheld, I have included the names of the town where people were arrested to show where the arrests were made.

I have also withheld the names of the Police members who have made the arrest.

If you wish to have the name of the individual member who made the arrest in relation to a certain arrest, then this can be reviewed. At this stage I do not believe that it is in the public interest to disclose to you all of the names of the arresting members.

If you are not satisfied with my response to your request you are entitled to complain to the Ombudsman.

Yours sincerely,

Nathan DAVIS
