Local Government Official Information and Meetings Act 1987 (LGOIMA)

Auckland Council Organisational Chart

Thank you for your information request dated 21 March 2022 for the most recent copy of Auckland Council's organisational chart with full staff assignments by department and unit, including the total number of managers employed by Auckland Council.

The specific details of your request and our response is below:

I refer to a previous LGOIMA request made on FYI, in August 2014 (Your reference: 9000131219). Please disclose the most recent copy of your organisational chart with full staff assignments by department and unit. Furthermore, please confirm the total number of managers employed by Auckland Council.

I have consulted with our People and Capability department in relation to your request. Please find attached the document which shows the positions that exist within Auckland Council's organisational structure by division, department, unit and/or team name.

Please note that while a position might exist within the organisational structure, it is not necessarily filled and therefore the enclosed document cannot be taken as a record of staff numbers. Data regarding the number of staff is, however, included within the Auckland Council Annual Report.

We can also confirm that we have 957 People Leaders employed at Council as at March 2022.

Decisions relating to the information that is being released to you were made by **Richard Jarrett, Director, Group Services**.

Should you believe Auckland Council has not responded appropriately to your request, you have the right by way of complaint, under section 27(3) of the LGOIMA, to apply to the Ombudsman to seek an investigation and review of the decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

If you have any questions, please contact me at jebel.ali@aucklandcouncil.govt.nz or Ph 09 301 0101, quoting the official information request number 8140010071.
