Dear Paul

Official Information Act Request, 14 August 2014: Refresher Training

In response to your email dated above, we have decided to withhold the information in accordance with Sections 9(2)(b)(i), 9(2)(b)(ii) and 9(2)(ba)(i) of the Official Information Act 1982.

We have considered the request carefully and do not believe, in the circumstances, the withholding of the information is outweighed by other considerations which render it desirable, in the public interest, to make that information available.

Yours sincerely

Allan Sargison
Chief Executive
