Dear Samara

Thank you for your OIA request asking:

***What the lowest GPA score would be for a student wanting to get into Oral Health when doing the Bachelor of Health Sciences?***

AUT's entry requirements are published in the AUT Calendar:

[Calendar 2022.pdf \(aut.ac.nz\)](#) Part 3: Admission and Enrolment Requirements, Page 99.

Specific information about the minimum entry requirements for the Bachelor of health science in oral health is on our website: [Study Oral Health - Bachelor of Health Science - AUT](#)

This clarifies ranking of applicants will occur and preference given to applicants with the highest level of academic achievement and/or evidence of accomplishments in the relevant field. GPA scores of those accepted can therefore vary from year to year.

Yours sincerely
