Dear John,

## Official Information Act 1982 request – North American Advisory Board

I acknowledge receipt of your official information request to Education New Zealand, dated 29 April 2022, seeking information as below:

*"Dear Education NZ,*

*I noted on your website: "Established by Education New Zealand Manapou ki te Ao in 2021, this voluntary advisory board includes former Study Abroad scholarship winners to New Zealand, independent education counsellors, and senior leaders in international education in the United States. Members have a shared interest in developing educational ties between the US and NZ and are supporting ENZ's North America team to implement our strategy for this market. The 10-member board has established three sub-committees that will develop signature projects to raise awareness of New Zealand's education brand and promote student flow between the two countries. "*

*Can you please supply the full list of name and bio for this committee's membership. Also, the selection process and how you advertise the role to the public or target group. The full meeting minutes for this group since the establishment to date".*

We will endeavour to respond to your request as soon as possible and in any event no later than Friday 27 May 2022, being 20 working days after the day your request was received. If we are unable to respond to your request by then, we will notify you of an extension of that timeframe.

Your request is being handled by my team. If you have any queries, please feel free to contact us on [ENZ.Ministerials@enz.govt.nz](mailto:ENZ.Ministerials@enz.govt.nz).
