INFORMATION REQUEST – Sulphur Point: Communications between Tauranga City Council Commissioners, CE or GM Strategy and Growth and University of Waikato

We write in response to your email dated 26 May 2022 in which you requested the following information:

I kindly request meetings notes and any communications between the any of TCC CEO Marty Grenfell, TCC General Manager S&G Christine Jones, the commissioners and any representatives of Waikato University since 01 Jan 2021 relating to:

- the proposed reclassification or revocation of reserve status of land at Sulphur Point**
- any assessment of alternatives sites or plans**

The Local Government Official Information and Meetings Act 1987 (“**LGOIMA**”) requires that we advise you of our decision on your request no later than 20 working days after the day we received your request. Unfortunately, it will not be possible to meet that time limit and we are writing to notify you of an extension of the time to make our decision, to **Wednesday 6 July 2022**.

This extension is necessary because consultations necessary to make a decision on your request are such that a proper response cannot reasonably be made within the original time limit.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

If you wish to discuss this decision with us, please feel free to contact the writer.

Ngā mihi
