Follow up to Official Information Act (1982) request 2122-0819

Thank you for your email of 30 June 2022, seeking clarification in relation to the above.

You had asked whether:

- The Internet Archive agreement related to the Overseas Published Collection[s] has been cancelled, or modified or is still running as was previously and;
- If modified, you wish to receive a complete and updated list of the books selected for this agreement.

The Internet Archive agreement has not been cancelled or modified. No action has been taken in relation to the agreement. The donation of titles to the Internet Archive is on hold, as, noted in my previous response to you, the National Library is reconsidering its plan for the Overseas Published Collections.

Further information can be found at <https://natlib.govt.nz/about-us/strategy-and-policy/collections-policy/overseas-published-collection-management#latest-update-from-te-pouhuaki-national-librarian>.

Ngā mihi
