Tēnā koe Andrew

Local Government Official Information and Meetings Act 1987

Re: Datasets Used for Housing Assessment for the Auckland Region

Thank you for your email of 30 June 2022. Your specific request and our response are set out below.

During the planning committee meeting on 30th June 2022 there was a presentation that discussed the building height controls for the city centre. The presentation included some excellent renderings that really helped illustrate the impact of the different options. I'd like to do the same thing, but extended across the whole of Auckland. Perhaps the team that prepared the presentation has the appropriate datasets that they could share with me.

I have been advised that you have spoken with Dean Thompson - Lead Geospatial Analyst in the Plans and Places department, and that during the conversation, it became clear you were interested in the council's 'Capacity for Growth Model'. If you remain interested in obtaining information relating to the 'Capacity for Growth Model', please email the council's Research, Investigations and Monitoring Unit at RIMU@aucklandcouncil.govt.nz.

Should you believe Auckland Council has not responded appropriately to your request, you have the right by way of complaint, under section 27(3) of the LGOIMA, to apply to the Ombudsman to seek an investigation and review of the decision.

Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

If you have any further queries, please contact me on 09 301 0101 quoting official information request number 8140010478.

Ngā mihi
